PROJECTS

• Project Title : Advancements in Malware Detection

Developed machine learning models to classify executables as malicious or benign using KNN, XGBoost, voting classifiers, and random forests.

Achieved high accuracy and reduced false positives through rigorous model validation.

• Project Title : YOUTUBE COMMENTS SENTIMENT ANALYSIS

It is website made using Python and Flask (Team Project) .Website gives graph of sentiments in comments for that video.

• Project Title : STUDY SWAP (Ecommerce Website)

It is website made using HTML , CSS and javascript. (Team Project) . Website that can be used to list your old educational materials which may not be used In future and selling the material students in need at lower price as compared to original.

• Project Title : TASK MANAGEMENT

It is website made using HTML , CSS and javascript. (Team Project) .Website which manages our task and remind us about our tasks with to-do- list .

• Project Title : Wanderlust

(Team Project) .Developed a full-stack hotel booking platform using the MERN stack (MongoDB, Express.js, React.js, Node.js) to enhance user experience in travel accommodations.

Implemented secure user authentication with encrypted passwords and JSON Web Tokens (JWT) for session management.

Project Title : Rent Price Prediction Pune

(Team Project) .Developed a linear regression model to predict rental prices in Pune based on area and address, providing instant estimates through a user-friendly interface. Analyzed model performance and visualized rental trends to enhance insights into pricing patterns.

Project Title : Piano Kit

Created an interactive Piano Kit website using HTML, CSS, and JavaScript, enabling users to play piano sounds by pressing keyboard keys. Designed a responsive interface with visual feedback for an engaging user experience. <https://sahilwarade.github.io/Piano-Kit/>

SKILLS

- Programming Languages : Python , C++ , Java
- Web Development : HTML, CSS , Javascript
- Artificial Intelligence
- Machine learning

TECHNICAL CLUBS

- PICT IEEE Student Branch (PISB)
- PICT CSI (PCSB)
- PICT CyberCell

ACADEMIC QUALIFICATION

• CLASS X(SSC) (CBSE) : 90.4 %

• CLASS XII (HSC) (State Board) : 94%

• PUNE INSTITUTE OF COMPUTER TECHNOLOGY (PICT), Pune

Branch of Study : Information Technology

Current : Third Year

LANGUAGES

English ,Hindi , Marathi ,German (Basic)
